Available**

Exiting Papa John's Cardinal Stadium After the Race

- Free parking is available in the Papa John's Cardinal Stadium Green Lot, just south of Central Avenue. In addition, Lots P & S are across the street from the stadium and open for parking. We strongly suggest that you park in the Green lot.
- Due to street closings, it is difficult to leave Papa John's Cardinal Stadium before all runners have completed the course. To assist your leaving, parking in the Red Lot is not allowed. If you happen to park there, you will be blocked in until all the roads have reopened at 12:30PM. If you are parked in the "Red" lot near the Stadium, drive towards the railroad tracks and away from Floyd Street. At the tracks, turn left and exit under the Central Avenue Overpass, which takes you to the "Green" lot. All four exits from the Green lot take you to Floyd Street, turning right is best. Follow Floyd Street to Crittenden Drive.
- Churchill Downs Parking lot will be open, for free.
- Central Station/Kroger -- Do not park in the Central Station/Kroger lot on the Southeast corner of Third Street and Central Avenue. The racecourse includes Third Street and Central Avenue; if you park in this lot, you will be towed.
- Additional Parking Options— Ample street parking is available both north and west of Papa John's Cardinal Stadium.
